

DESCRIPTION

Located in the rainforest of South of Central African Republic, the Dzanga Sangha is part of a vast protected area Tri-National of Sangha River between the Central African Republic, Cameroon and the Republic of Congo. Wildlife viewing is the main attraction in this reserve, the area inhabited by large mammals such as: Gorillas, Elephants, Buffaloes, Antelopes, Mangabey etc ... It also gives you the opportunity to work with the Ba'aka pygmies living there. Dzanga-Sangha Reserve enjoys a humid tropical climate.
