

## **Kribi the Blonde**

3 days / 2 nights from Yaoundé

If you're in Cameroon on business or for a short break, our 3-day trips are made for you! Discover the way of life of the first inhabitants of the forest and experience extraordinary moments during your stay!

Anyone who has ever dreamed of bathing in a seaside paradise will find their dreams come true: fine yellow sandy beaches lined with coconut palms, natural landscapes such as the Lobé waterfalls, which flow directly into the ocean and are unique in the world, and the fishing village of Londji, which has a high ecological value because of its mangroves and its proximity to the mouths of the Nyong and Lokoundjé rivers.
